

STAND UP TO BULLYING FROM #DAY1

Dear Upstander,

Like the groundhog, we have great news to share: As we welcome (hopefully) warmer weather, we have just exceeded **698,000 Upstanders!** We are very proud to share this great news with you and humbly ask for you to share our work in 2020.

To help us reach our October goal of reaching one million #Upstanders, we ask you to share the [#Upstander pledge](#) with your community. Is there someone new in your life with whom you can share our pledge? Please share our message on Facebook, Instagram, Twitter or the old fashioned way - Email!

This fall, we will commemorate the [tenth anniversary of Tyler's death](#). We are so thankful that you are spreading warmth and kindness in your schools, workplaces, and faith communities.

Together, we can end bullying in all its forms.

Warmly,

Jane Clementi and the Team at the Tyler Clementi Foundation
