

STAND UP TO BULLYING FROM #DAY1

In response to the unprecedented need caused by the COVID-19 pandemic, [Giving Tuesday Now](#) has been scheduled for **Tuesday, May 5th**. Although there are many worthwhile organizations doing great work, we at Tyler's Foundation are hoping that you will choose us, the [Tyler Clementi Foundation](#), on Tuesday to help continue our mission, **to end all online and offline bullying in schools, workplaces and faith communities**.

With the cancelation of our Spring Fundraising Event and all of our speaking engagements, we find ourselves with the need to find new innovative fundraisers to support our work, programs and outreach initiatives to help us fill the gap in funding at this time. [Giving Tuesday Now on May 5th](#) is definitely a part of the solution for us. **So please help us if you can.**

Please stay tuned for additional activities this week We will be sharing more information on Wednesday about [Matt's Upstander Birthday Celebration](#) on Thursday May 7th.
