

STAND UP TO BULLYING FROM #DAY1

Dear Upstander,

As we all adjust to our new existence of physical distancing and learn to celebrate our milestones in new and creative ways, I am very excited that one of our loyal supporters will be celebrating his 21st birthday celebration with us!

Our friend Matt is asking for a very special gift this year! He is asking all his friends and family to join him in taking the [Tyler Clementi Upstander Pledge](#) at his virtual birthday party celebration on May 7th at 9pm ET via Zoom.

Joining in the festivities will be special friends and guests like Tipper Gore and country singer Chely Wright!

Let's show Matt our love and support on this most momentous milestone, his 21st birthday by supporting his [Facebook Fundraiser](#) and by taking the extra step in giving the gift that keeps on giving... pledging to be an Upstander!

"The pledge is important to me because I don't want anyone bullied and I want to inspire people to stand up for those who are."

Please join us for a toast to wish Matt a most joyous and happy birthday and join him in pledging to always be an active Upstander, online and off.

If you have already taken the Upstander Pledge yourself please consider sharing the event with your family and friends. The more the merrier! If you'd like to join us, please RSVP here.

Stay safe and be well,
