

Dear Upstander,

Over the last decade, our initiatives have had a tremendous impact in addressing the harmful and often unrecognized effects of microaggressions and bullying behaviors. The conversations with leaders in schools, workplaces, and faith communities have often been tough, but ultimately leading to life-changing results.

In an effort to grow our impact, we are very excited to bring you a new way to give through our [Cup of Coffee Monthly Recurring Donation Program](#). For the cost of just one cup of coffee a week, you can have a powerful impact by donating as little as \$12 a month. Your recurring gift will have a big impact, helping us create a culture of kindness and compassion.

How does it work?

If a large pool of Upstanders each gives a small amount on a monthly basis, we will then have a sustainable sum to take our foundation to the next level. For as little as \$3 a week, you could help an elementary school stop bullying on #Day1 or protect an LGBTQ+ person from religious dogma and condemnation.

Now, more than ever, we at the Tyler Clementi Foundation could use your ongoing support to catalyze social change bringing an end to bullying behaviors in our nation.
