

Dear Upstander,

**Let's honor Martin Luther King, Jr. and the millions he stood up for.**

In his life, Dr. Martin Luther King Jr. lived through unspeakable prejudice and injustice, but rather than raising his fist in anger, he offered his hand in brotherhood. His legendary speech, "I have a dream" continues to echo throughout our nation - with his spirit and dream still alive today.

A true Upstander, Dr. Martin Luther King Jr. knew that love always conquers hate and that we can only overcome adversity by standing together, united as one. His legacy inspires us at the Tyler Clementi Foundation, as we are working to create more safe spaces that embrace differences, preventing bullying behaviors that perpetuate cruelty and prejudice.

Today, as we gather to honor the memory of Dr. Martin Luther King, Jr., we hope you'll join us in our commitment to speaking up for those in need.
