

Kindness Campaign

OCTOBER 1 - DECEMBER 31, 2021

Kindness defined as "the quality of being **friendly, generous, and considerate**" can have a **life-changing** impact in challenging situations and circumstances. Bullying behaviors persist in all environments and our research shows that when an Upstander intervenes, the unkind behavior stops within 10 seconds 57% of the time.

This is why we at the Tyler Clementi Foundation are working to bring more kindness to the world by increasing Upstander behavior in all settings, providing resources and tools for educational and spiritual leaders, and empowering students to introduce social-emotional learning to their local communities.

Will you continue helping us create more Upstanders by donating to our Kindness Campaign? Your donation will go directly towards bringing an end to online and offline bullying in schools, workplaces, and faith communities.
