

Dear Upstander,

This is just a quick reminder that today is the final opportunity to give a year-end donation to the Tyler Clementi Foundation.

There is so much more work that needs to be done and with your continued support, we can create a legacy of a million more Upstanders in schools, workplaces, and faith communities.

In the new year, we are excited to launch additional programming which uses software technology to support early grades and school staff. That's why it's important that supporters like you give at this time of the year – to make sure that we can start the new year strong.

[Don't wait - make your final donation for 2021 now.](#)

Thanks,
