

Dear Upstander,

Over the last decade, our initiatives have had tremendous impact in addressing the harmful and often unrecognized effects of microaggressions and bullying behaviors. The conversations with leaders in schools, workplaces, and faith communities have often been tough, but ultimately leading to life changing results.

To continue our work, sharing the importance of being an Upstander with greater audiences, we ask you to consider being a **monthly donor**. For the cost of just one cup of coffee a week, you can have a powerful impact by donating as little as **\$12 a month**. *Your recurring gift will have a **big** impact*, helping us create a culture of kindness and compassion.

Thank you for being an Upstander,

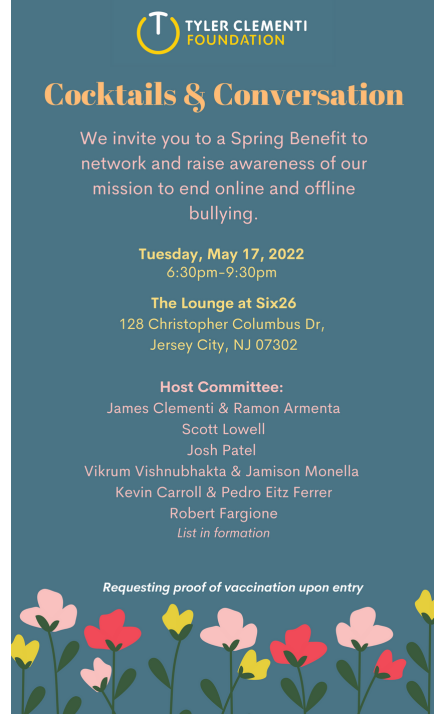

- The Team at the [Tyler Clementi Foundation](#)
